

SEGMENT OPPORTUNITIES

BICYCLE STUNT SHOW

In conjunction with large scale events, Dialed Action athletes may be made available for event-related media opportunities or pre-event segments. Several segment types are available:

TYPE 1 - Remote at performance location

Riders will use team performance equipment

TYPE 2 - Remote in downtown location

Not all locations will be suitable. Riders will need to identify appropriate riding area

TYPE 3 - Remote in parking lot or outside studio

Basic equipment can be setup in an open and level area. Also ideal for "how-to" segments

TYPE 4 - In studio without equipment

Ideal for quick segments. One or two tricks maximum.

TYPE 5 - In studio with basic equipment

This option may require up to 90 minutes of set up time.

Ideal for longer segments or inclement weather locations

Ideal for pre-recorded segments
